

BMC Is a Leader in *The Forrester Wave™* for Process-Centric AIOps

Ready to tackle your complex IT environments and new deployment technologies with a proactive, AIOps-fueled approach?

Then we believe the best choice to help you tame your technology intelligently is BMC.

Why do we think this?

We've been recognized as a leader in The Forrester Wave™: Process-Centric AI for IT Operations (AIOps), Q2 2023!

What does it mean?

The Forrester Wave evaluates the most significant process-centric AIOps providers across

30

different criteria, advising customers to look for solutions that:

[A reference customer noted] an internal team was 'blown out of the water' by the noise reduction and predictive analytics capabilities."

How did the BMC Helix AIOps solution score?

The Forrester Wave said AIOps solutions and tools from BMC were:

A good fit for enterprises with complex and diverse environments that span mainframe to cloud and everything in between."
